Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: During the interview, Applicant's representative requested clarification on the § 101 rejection presently asserted against claims 22, 26 and 27. Examiner suggested that Applicant's representative file after final arguments asserting utility for the claims in present form for Examiner's consideration. Examiner agreed to consider the after final arguments in order to determine if the rejection should either be removed, or if an amendment might be necessary to overcome the rejection.
